Please note that for this year, our Mini Canskate skaters will not be invited to register for the end of year show due to logistics with the number of skaters and the age of our Minis with the demand of show attendance.

Show Duration: The skating show will be approximately **3 hours long**, including an intermission.

Costumes & Clothing:

- **Costumes:** Each costume will include specific instructions on any additional items needed. This could include items to be provided by the skaters/parents.
- **Hair:** Hair must be tied up and kept out of the face for the show. Please avoid bobby pins and large hair clips/accessories.
- **Accessories:** Simple earrings are allowed but please no big earrings, bracelets or necklaces. Please no Apple watches or other similar technology to be worn on the ice.

Please review all costume details carefully and ensure that your child is fully prepared for the show. Costumes will be handed out in March and must be left at the arena after the final show.

Dress Rehearsal & Show Day:

- **Important:** Parents **will not be allowed** in the dressing rooms or past the entrance during dress rehearsals or shows.
- Our dedicated volunteers will ensure the safety and care of your child as soon as they arrive.
- It is encouraged to provide light snacks and light coloured drinks (water or apple juice). Please avoid sending items that could stain or would make a mess.
- You can also send your child with books to read, or crosswords, colouring books and pencils. Be sure to label everything.

Volunteers will be required:

We couldn't have a successful event without the help from our volunteers. We are looking for parents to volunteer their time during the 3 days in the dressing rooms. We may also need help with sewing costumes and other areas of the preparation process as well as the spotlights and security.

When you volunteer for the dressing rooms, you do not need to be there for each show day, but any day that you can spare would help.

- A Google Form will be sent via email in the next few weeks. Each volunteer must complete a Back Check Form before they are able to volunteer in the dressing rooms.

Picture Day:

We are currently working on the details for our picture day which is scheduled for March 22, 2026. Pictures are taken with skaters in their show costumes. The pictures will be available for purchase during the show weekend.
